With reference to your letter No.D. 3596/C.V. 133-28-5 dated 23th February 1931 calling for my opinion regarding the proposal for the resumption of the vacant land adjoining the local Veterinary Dispensary at Nagammgala for providing a larger compound to the Dispensary, and enquiring if any compensation should be paid to the Municipality for the land, I have the honour to forward herewith the records received with Report No. Mis. C. 1069/30-31 dated 10th June 1931 from the Sub Division Officer, French Rocks, and to state as follows -

The land in question was acquired by the Municipality to keep the surroundings of the Misafirkhana and the Local Fund Dispensary clean and tidy. As the Municipality has not actually paid the compensation of Rs. 34-10-7 to the owner of the land but have given Municipal land in exchange, the Municipal Council is not entitled to any compensation. The land is necessary for the Veterinary Department and may be given to it.
